Global Learners of Tomorrow

Dear Parents/Guardians,

Primary 5 Assessment Schedule for Term 2 2024

1. Assessment is integral to the teaching and learning process. Information from assessments will be used by teachers to check for students' understanding and provide timely feedback to improve learning.
2. Please find below the table showing the weightings for the assessments which will be conducted in 2024:

Term 1	Term 2	Term 3	Term 4
Weighted Assessment 1	Weighted Assessment 2	Weighted Assessment 3	End-of-Year Examination
10%	15%	15%	60%

3. The details of Weighted Assessment 2 are provided in Annex 1. The details of the other assessments will be shared at the start of each term.
4. We would like to inform parents/guardians of the following:
 - All absences **must be supported** by a Medical Certificate (MC) and/or certifying letters from qualified medical practitioners registered with the Singapore Medical Council.
 - Students who are absent for the weighted assessment without a valid MC will be marked as 'Absent' and **will not be awarded any marks** for the paper that they missed. Students who are absent with a MC will have the marks prorated accordingly.
 - There will be **no make-up assessment** for absentees.
5. A soft copy of the assessment schedule is placed in our school website, under Parents' Corner, Assessment Matters (<https://www.fernvalepri.moe.edu.sg/parents-corner/assessment-matters/>).
